Traineeships of UPV students

The collaborating organization
with Id.Nr. _____, (hereinafter “the organization”), that signs the Individual Agreement
for Educational Cooperation with a start date _____, and an end date _____
and province and country of the traineeship _____

and the UPV student
with Id. Nr. _____ and current address at _____

Being aware of the exceptional situation caused by the COVID-19 coronavirus pandemic and the
need to adopt exceptional measures, WE DECLARE:

- The student and the host organization agree to carry out this traineeship in person.
- During the period of the traineeship, the student and the host organization agree to carry out online all those tasks of the training project that can be carried out through this modality. The presence of the student in the company will be limited to the tasks of the training project that cannot be carried out online.
- The organization staff responsible for the student, in particular the Tutor of the collaborating host organization, will carry out their work in person at the host organization, during the traineeship.
- During the period of the traineeship, the host organization where the traineeship is carried out, guarantees compliance with the health and safety risk protection regulations that are in force, especially the recommendations contained in the "[Guide to Good Traineeship in the Centers of Work](#)" approved by the Spanish Ministry of Health. Therefore, said host organization will provide the student with the necessary protection.
- During the period of the traineeship, the guidelines contained in the different phases of the Plan for the transition to a new normality regarding mobility in between different provinces, regions and countries will be scrupulously followed. The special measures adopted by the Universitat Politècnica de València for the development of the academic year to which the traineeship is linked to the exceptional situation caused by COVID-19 will be also strictly followed. During the period of the traineeship, the guidelines established by the relevant authorities in the field of international mobility will be followed.
- The organization is not under any procedure of employment regulation, unless if it is linked to a part of the organization not related to the training programme that the student will carry out in their traineeship.
