

Interested to engineer the next tech revolution?

Apply now: www.fue.es/hpacademy

HP R&D Academy is a programme for top talent fresh engineering graduates coming from all over Europe that offers to most outstanding participants:

- Two years contract
- Fully-funded training program
- International experience

At **HP**, we believe in the power of ideas. And we believe that ideas thrive best in a culture of teamwork. We trust anything can be achieved if you really believe in it and with our leading impressive portfolio of printing solutions we will empower your imagination.

At HP, the future's yours to create!

Share an unforgettable international experience with **HP Barcelona** and engineer amazing disruptive products that change lives and the way people work.

The most outstanding candidates will be offered to join **HP** for a two-year graduate assignment and also the benefit to have a fully funded postgraduate study programme.

When: July 11th to July 15th 2016

Where: Barcelona, Spain

The goal: Share the best of yourself and win a place among the best to reinvent the future.

The exclusive final stage of the application process:

Shortlisted candidates will be offered one full week at HP Barcelona – a totally unmatched opportunity to immerse yourself in HP's culture and innovation at a site with professionals of 60+ nationalities.

Activities during the week will offer candidates to take part in the interactive case-based final assessment and also join workshops to enhance leadership skills, join tours of the demo centers including seeing the first ever HP 3D printing solution announced this May!

This new HP R&D Academy is looking for:

- Recent graduates in Computer Science, Mechanical Engineering and Electronic Engineering
- A passion for technology
- English proficiency is a must
- Good inter personal abilities
- Self-motivation and confidence
- Organised and responsible
- Social and proactive

Selection process will be carried out by Fundación Universidad-Empresa, leading institution in fresh talent recruitment and acquisition.

Deadline for applications: 20 June 2016

When: July 11th to July 15th 2016

Where: Barcelona, Spain

Grant: Up to € 500 depending on the candidate's place of residence

Certification: Certificate of attendance and completion awarded by HP and Fundación Universidad-Empresa
