

## Paid internships in Silicon Valley or New York for Spanish Software Engineers

**Jóvenes con Futuro** gives talented Spanish **Software Engineers** the chance to develop their technical and entrepreneurial skills by leading the experience of **working in a startup for six months in Silicon Valley or New York.**

Apply until April 30<sup>th</sup>, 2017 at [stepone.com/jovenes](http://stepone.com/jovenes)

### Candidate requirements:

- ✓ Final year student or recent graduate in Computer Science or other areas that include software development
- ✓ Excellent programming skills: object oriented principles, design patterns, testing...
- ✓ Broad knowledge in any of the following: Java, JavaScript, PHP, C/C++, Python, Ruby, Android, iOS and other technologies/frameworks
- ✓ Fluent in written and spoken English
- ✓ Under 30 years old and Spanish nationality

### Extra points we value:

- ✓ Experience with web and/or mobile platform development.
- ✓ Entrepreneurial activity or "side projects" outside of the classroom.
- ✓ Positive work attitude, customer-centric mentality, self-motivator, quick learner, and a team player.
- ✓ Interest in emerging technologies and entrepreneurship.
- ✓ Tangible interest in the Silicon Valley and the startup ecosystem.

Spots are limited and applications will be reviewed on a first come, first serve basis
