For a satisfactory working relationship between the company and the trainee, it is expected that the trainee has good social skills and is capable of taking initiative.

You are not here to work, only to complete your studies therefore your legal status and visa will be student performing a cultural exchange.

- Despite of the fact that Ecuador allows almost every country to come as a tourist, as you are coming as a student you will need to get a Visa.

Therefore, once you get your acceptance note, we will start working on your visa documents so you can ask which Ecuadorian Embassy or Consulate is close to you. In this sense we will send all the documents so you can present to the Consul, as you are going to be member of Universidad San Francisco de Quito. www.usfq.edu.ec The cost of the visa will be 80 dollars, but you can ask to the Embassy so you will confirm the price. Visit this website for Ecuadorian consulates around the world. http://www.mmrree.gob.ec/representaciones/indice_ec.asp
- In case you do not have an Ecuadorian Consulate, we will help you to get a visa here in Ecuador upon your arrival. In that sense we suggest to hire BLUECARD INSURANCE completing the attached information. The student could pay upon their arrival.
