

Cloud Workshop

- Rethink your development

MaibornWolff in Valencia offers you a free **1 day** cloud development workshop.

Description

After this training, you have understood that with increasing cloud knowledge, a stronger rethinking is required in development and know which direction you need to take to be successful. You will experience the first special features of cloud readiness using concrete examples. You will get a feeling for the variety of solutions offered by the cloud and will be able to assess which one is the most suitable for you.

When: 13th of October 9:00 – 17:00 (incl. provided lunch)
Where: Calle Historiador Diago 2-4, 46007 Valencia
Needed: Bring your own notebook

Register by email: michael.abey@maibornwolff.de
